INTERNATIONAL
GRAPHIC AND PAPER
INDUSTRY FAIR

The International Graphic, Paper and Creative Industry Fair is the central meeting point for professionals from the fields of graphics, publishing, design, printing and the advertising industry.

The event brings together manufacturers, distributors, service providers and end users, with the aim of improving business performance, exchanging knowledge and presenting modern technological solutions.

If you are looking for visibility,
new clients and tangible business
results - this is the event where
you need to be present.

Participation at the fair means:

- ✓ direct access to decision-makers
- ✓ presenting your products to a targeted audience
- ✓ strengthening market position
- ✓ generating new business opportunities
- ✓ building trust and brand credibility
- ✓ being present where your competition is already active

The Fair integrates:

- ✓ graphic and machinery industry
- ✓ information and communication technologies
- ✓ design and creative industries
- ✓ specialized software and hardware solutions

Synergy of three trade fairs

The simultaneous staging of three complementary events further increases business opportunities.

GRAFIMA – graphic, paper and creative industry

BIROEXPO – IT and office equipment

PAK AM – packaging and packing materials

Three trade fairs - One audience - Maximum impact

Participation at the fair represents a reliable platform for promotion, networking and business development within a relevant industry environment.

Secure your place among the leading companies in the industry. Take the opportunity to be seen, recognized and selected.

Be among the companies shaping the industry!
